FURUBO 8

Ultra-pure marine  
FULVIC ACID beverage  
by Dr. E-Raz

100% Fulvic Acid, Humic Acid and Minerals Extract

Brand Ambassador: actress NAOKA KODA

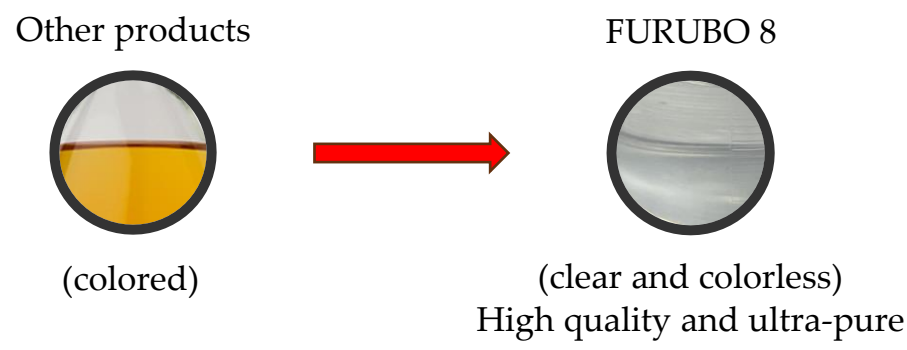

~Made in Japan • Premium Quality~

100% Fulvic Acid, Humic Acid and Minerals  
Extract

Fulvic acid originally contains heavy metals and the method to remove them is difficult. After extensive research, FURUBO 8 has finally been developed into a commercial product.

FURUBO 8 is safe, clear, colorless drink and provides negative ions!

The measurement results conducted at  
Chiba Institute of Technology confirmed  
a high concentration value of 8.425 mg/L.

## FEEDBACK

I regularly engage in sports and sometimes experience body aches. After starting to drink FURUBO 8, I notice that my body relieves faster than usual.

Male, in 30s

I was troubled by leg cramps repeatedly in the late pregnancy. After learning about FURUBO 8 and trying it before bedtime, I no longer woke up in the middle of the night in excruciating pain!

Female, in 20s

Normally I have digestive problems and constipation. However, after drinking FURUBO 8, my bowel movements improved, and my stomach got better so I continue drinking it every day since then.

Male, in 20s

I run a restaurant and have many chances to drink alcohol. Since I started drinking FURUBO 8, I have become less likely to have a hangover. Now I never forget to drink it before work.

Female, in 40s

## Frequently Asked Questions

**Q. I found a product with a higher concentration of fulvic acid than FURUBO 8. Is it better to consume more components?**

**A.** Our product is an ultra-pure marine fulvic acid beverage which is 100% extracted from fulvic acid, humic acid and minerals. We pride ourselves on being the best in the world, including in terms of the amount of content we offer.

If raw materials used are from rocks, the metal content can be high. In short, it is possible that there are high impurities and harmful heavy metals present.

On top of that, a lot of iron content may lead to iron oxide and the precipitate may float.

※ Our FURUBO 8 is clear and colorless, which is a major point.

※ The amount of content is accurate rather than the concentration.

**Q. Can I buy FURUBO 8 from other websites? Do major online retailers such as A or R sell it?**

**A.** Currently, FURUBO 8 is only available for sale via our online store **Dr. E-Raz** and our physical shop "cafe&bar213"  We are proud to be the KING OF FULVIC ACID - the only authentic product! We are committed to presenting our product's unique attributes clearly and thoroughly to customers, while simultaneously offering the product for sale.
